**Am I calling you at a good time or a bad time? How are you doing? (Small Talk)**

**(Prospect's Name)... I'm looking for a couple of people that are either looking for a part time job or would like to earn some extra money. **Did that make sense to you?**

**What did you like best?**

**Would you like to see a 15 minute video about how you get paid?**

**Great...**

**I am emailing you the link to my Ambit website.**

**( Email **YOUR** Energy Gold Rush website link )**

**Go ahead and click on that link. Since you have already seen the video on this page... just scroll down and enter your information. A new page will open with a 15 minute video. Go ahead and watch that video and I will call you back in 15 minutes.**

**15 Minutes Later... Ask them:**

**What do you think? Did you like it? Is this something that you would like to do?**

**Are you ready to get started?**

**Do you know anyone who would like to do this?**
