The Energy Gold Rush (EGR) System is **NOT** the same as the Ambit Energy websites. Energy Gold Rush is a website system created by one of Ambit's Million Dollar earners. Your EGR website system is \$10 per month. When YOUR first 3 Consultants sign up for their EGR Website System... your EGR Website System will be FREE! I am going to walk you through the steps for getting set up with Energy Gold Rush System.

EnergyGoldRush Setup

Step 1: Confirm EGR Referral

Because of our "Refer 3 Get Your EGR Free" program, it is important for the right person to get credit for your signup.

Our records indicate that Dalond Martin @ dalondandwandabiz.energygoldrush.com is the person who referred you to EnergyGoldRush.

If this is incorrect, please contact the person who referred you to EGR and enroll through their link so they may get proper credit.

Step 2: Create Account

Important instructions: Please pay attention to the instructions in parenthesis. A random password and complete setup details will be sent via email immediately upon payment. If you do not complete payment in which case simply email support@energygoldrush.com and we can fix the issue by clearing out your old record.
